

Dave Turpen - Director of Content

Dave Turpen serves as the Company's Director of Content. Before joining GeaCom full-time in September 2013, he was a medical advisor for GeaCom's content development team starting in 2010. Dave has over a decade of experience in nursing. Before joining GeaCom, he was a Registered Nurse at Essentia Health - SMMC in the Cardiovascular Surgery - Intermediate Care Unit, then in the Surgical Intensive Care Unit. Dave finished his career at Essentia as the Nurse Manager for the Cardiovascular Surgery - Intermediate Care Unit, where he led his nursing staff in Patient Experience initiatives which brought their Patient Satisfaction scores from below the 5th percentile in the nation to above the 90th. Dave received his Bachelor's degree in Nursing from the College of St. Scholastica, after serving four years in the United States Air Force.
